

## ACHIEVERS OF THE WEEK

Honeywell - Joe & Teddy  
Middlecott - Kai & Aaron  
Owlacombe - Theo & Jamie

**Don't forget school photos on the 18th!**

## BBC Children in Need

From our mufti day, the whole school have raised £62.00 for BBC Children in Need! Well done everyone! We will send the money off to Pudsey Bear and await our certificate!

Cake decorating!

## **ATTENDANCE FIGURES**

Honeywell - 97.38%  
Middlecott - 99%  
Owlacombe - 93.26%

## **Name Labelling**

The best product we have come across for labelling clothes, water bottles and shoes are sticky labels. Have a look at [www.nametags4u.co.uk](http://www.nametags4u.co.uk)

## WOODHOUSE PRE-SCHOOL

Thank you Mr Pierce, we loved our PE lesson, learning how to

move in a variety of ways and learning new skills.

A very busy morning in the mud kitchen! Mixing mud with mud and stirring it together

to make...ta dah - mud cakes!

We made our own snack - delicious cheese straws!

## OWLACOMBE

You're never too old to dress up!  
Looking fabulous for BBC Children in  
Need Owlacombe girls!

Mrs Adams has  
been making stone  
age houses with  
Owlacombe this  
week.

They all really  
enjoyed using  
different materials to create these  
amazing models!

## MIDDLECOTT

Last Friday, Middlecott  
enjoyed their first 'outdoor  
learning' afternoon of the  
term. We all went on a  
senses scavenger hunt to  
find inspiration to help up  
with our writing. We are  
looking forward to more  
learning in the woods!

This week the  
children have  
produced some  
beautiful artwork for  
Remembrance Day.  
Everyone worked  
really hard to follow  
instructions to create  
their own 'Blitz' masterpiece.

We have also been looking  
at different poems, but we  
have focused on 'Poetry Pie'.  
The class enjoyed working in  
small groups outside to  
recreate their version of this  
poem to perform to the class.

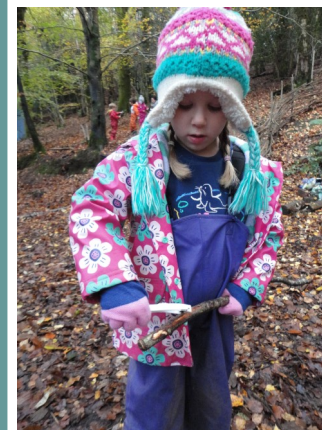

Today is BBC Children in Need!

We started today  
off being very  
active by joining in  
with Joe Wicks'  
24hr P.E  
challenge!

## HONEYWELL

A great science lesson making  
instruments to measure the wind at  
Woodland school. The children learnt  
to use knives and peelers to  
sharpen the ends of their instruments  
so they could stick them in  
the ground and how to tie knots  
to attach the string and feathers.

They also enjoyed  
blackberry jam  
made by one of the  
children on fire toasted bread.
