Easter Fayre

Friends will be hosting an Easter Fayre in the hall on Thursday 26th March from 3:30pm. Please may we ask for some cakes to sell and any items you may have that would make great prizes for our tombola. If you can help, please

let Sarah or
Maria know,
Thank you!

OWLACOMBE

BODY LANGUAGE

On Tuesday 10th March, Yr5&6 went to SDCC to do a Body Language dance. The theme was 2020 vision and we went for 'phones' and how everyone is addicted to them! Then, one person realises there is a world out there and the others follow.

By Maddie & Addi Yr 5

On Wednesday after school, a Yr5&6 and Yr3&4 team took part in a netball match against Chudleigh Knighton. Both teams played really well with the Yr5&6 team losing 2-0 and the Yr3&4 team winning 2-1!

MIDDLECOTT

Middlecott very much enjoyed making paper with Miss Uren on Thursday as part of their Topic on books!

Outdoor Learning

The children learnt how to create stakes from coppiced trees which we then used to create fencing with willow rods.

They were really proud of what they had created!

HONEYWELL

'We had a challenge to find out which block of ice melted the quickest to get the figures out!' Freya 'If you put ice near heat, it goes to water then gas called steam.' Isla

'Finn's melted the quickest in the microwave. Second was Bears idea which worked well. The others were about the same but Mrs Barker's on her desk was last.' Anna

Dance Festival

'We did a space dance. The aliens were trying to defeat the astronauts. We all came together in the middle where the astronauts ended up in charge and the aliens all died.' Orlaith

'It was fantastic to be dancing in front of lots of children!' Seth
