

School Achievements

These will start up again soon!

Friends AGM

Hello from Friends! We will be having our Zoom AGM on Monday 28th Sept at 7:30pm. We will send out an invite to you all to virtually join us! You don't have to be part of the team or make a commitment, we just want you to have the opportunity to see what we get up to too!

Volunteers

At the start of term, we always encourage parents to volunteer with the school whether to hear children read, help with occasional transport, lend a hand at outdoor learning etc. If you feel you will at some stage be able to help us, please pop into the office so we can start the DBS check and sign some paperwork so you are ready to go when restrictions ease!

ATTENDANCE FIGURES

Each week, we will share the previous week's attendance with you.

Starting next week!

Important Dates

September

21st / 22nd / 23rd - CAP Workshops
21st - Honeywell - Superhero Day!
22nd - No outdoor learning for Honeywell
26th - 30th - Half Term

Please note we have a new website:

www.ilsington.thelink.academy

The new website is live but we are currently working on it. It will be up to date by the end of next week.

Don't forget to like us on Facebook and follow our page. We regularly share wonderful posts.

WOODHOUSE PRE-SCHOOL

The children at Woodhouse have had an amazing time exploring everything our lovely setting has to offer including music time, our amazing outdoor space and of course, everyone's favourite - the mud kitchen!

OWLACOMBE

Owlacombe started their Topic of Stone Age to Iron Age by recreating cave paintings. We learnt that

this is one way historians have found out about life 1000s of years ago. We looked at some examples and then the children made their own caves under the tables and had a go at drawing with charcoal.

On Wednesday, Owlacombe experimented with learning in a different way. Year 6 were given their challenge via Teams

which is our new online learning platform and used the feature 'Immersive Reader' to read the task to them. Everyone then completed their challenges outside taking photos on iPads as evidence. "This is better than a teacher!" said one child! "This made learning fun!" said another!

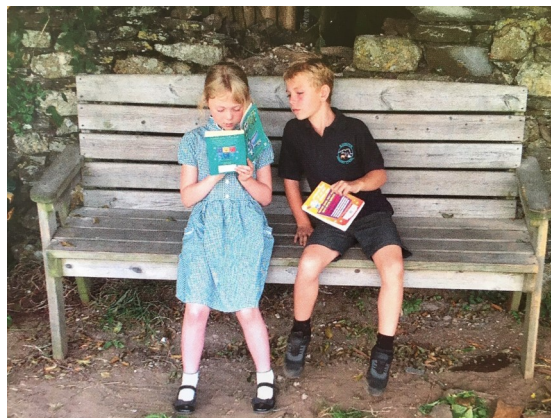

Doing sums...

in the sun!

MIDDLECOTT

Middlecott enjoyed some reading time with their new reading buddies!

Our Story Circle is coming in very handy for all sorts of activities!

HONEYWELL

Honeywell enjoyed making wind streamers!

"Do you like my wind streamer?"
Tiger

A message from Mrs McCarthy

So this is our second week in and another great week at Ilington primary - I'm so glad that the lovely weather has held allowing all the teachers and children to spend lots of time outside. It was wonderful to see Owlacombe learning maths in the sun and I was very proud of their ability to organise their own learning independently.

The visiting Trustee was very impressed with their outstanding behaviour!

We are looking forward to the CAP workshops next week and Honeywell's Superhero day!

Have a lovely weekend!
Sam McCarthy
