

MIDDLECOTT

Middlecott have been taking part in the Devon Virtual Games event over the last few weeks and today received their certificates for their participation and amazing effort, especially in the "Sportshall Pentathlon" event.

This involved throwing bean bags into a hoop, standing long jump, jumping as high as they could, running and bouncing over a cone. Great work team!!!

In Science, Owlacombe and Middlecott had fun making 'stretch and bounce launchers'.

Safeguarding:

"My Back to School Bubble" – e-storybook for children from Public Health England

'My Back to School Bubble' aims to help children understand the new protective measures that may be in place at their school, in an age-appropriate way. It reinforces public health messages including the importance of hand and respiratory hygiene, while reassuring children that everyone makes mistakes, helping to combat feelings of anxiety, that have been reported by parents.

OWLACOMBE

Owlacombe held their traditional end of Y6 Water Fun Session on Wednesday afternoon and enjoyed zooming at top speed down the slip and slide mats!

Dear parents and families,

This week has flown by - here we are at another Friday. Following on from Nicky Dunford's email regarding online learning, we are now starting to reflect on what is going well and how we can develop it in school both in the short and long term. We really value your input so thank you for taking the time to fill in the survey.

Farewell:

Today we say farewell to all of the children in Preschool, Reception and Year 1 who have had their last day. We wish you all a wonderful summer and hope that you will keep in touch for the next few weeks on See-Saw. We look forward to Year 4 and 5 joining us next week.

And finally, we say a sad goodbye to our fabulous Year 6 pupils! Everyone is extremely proud of you and your journey through primary school. You all have so much to offer and the world is at your feet so step out with confidence and pride. Show your next school just how exceptional and amazing you are!

Have a lovely weekend.
Lizzie Lethbridge

Staffing update:

Next week we will be interviewing candidates for the teaching vacancy at Ilslington. This means that I will soon be in a better position to make plans regarding staffing and structure for September. Look out for more information in next week's newsletter. Lizzie

WOODHOUSE PRE-SCHOOL

In Woodhouse we have continued with our summer theme making boats and finishing our wall display, which the children who are at

home have also been contributing to. Some of the children have particularly enjoyed pretending to be teachers and acting out their pre-school experiences with their friends and practising their maths skills at the same time.

Mrs Cooper and I would like to wish all the children who are finishing this week an amazing Summer break and hopefully we'll see you soon. Mrs C

HONEYWELL

Honeywell enjoyed using leaves to decorate rabbits, crocodiles and lions. They used a mixture of leaves to create different textures.

"I like making animals." - Freya

"I liked the animals." - Rhys

"I liked sticking on the brown leaves!" - Darragh
