18th - Middlecott Trip to Wookey Hole
18th - Owlacombe Marble Party to Tubers

Please could Honeywell bring in their black and white costumes for a dress rehearsal on Tuesday. Thank you,
Mrs Barker

WOODHOUSE PRE-SCHOOL

In Woodhouse this week we have had great fun sharing our favourite books for World Book Day. We are busy being authors and illustrators as we create our own book about life at Woodhouse Pre-school.

On Monday, Rose found us some frog-spawn so we visited the pond to collect some pond water so that we can watch them develop through the different stages of their life-cycle.

Stronger Together

The logo for Link Academy Trust. It features the text 'Link Academy Trust' in a bold, sans-serif font, with the tagline 'Stronger Together' in a smaller, italicized font below it. To the right of the text is a stylized blue pencil with a yellow eraser and a sharp lead tip.

OWLACOMBE

On Thursday 5th March it was World Book Day! Our school was very lucky to have a storyteller come in - her name was Maureen. She is an author and was a teacher. She reads us one of her books called 'Ant's Awesome Adventure'. Thank you - we really enjoyed it! Lizzie & Maddie Yr 5

Outdoor Learning

We had to go down to the river to fetch water to protect ourselves from the alien trip-pods and make a den inside a hoop

to be able to hide! We got decent sized rocks and pretended they were bread. It was a great experience pretending to be in a survival situation!

Harry Yr 6

WORLD BOOK DAY

The children all looked wonderful in their costumes to celebrate World Book Day! The staff all looked rather fabulous too....!

The Stop, Look & Listen Road Safety Show

The Friends of Ilington School treated all the pupils and pre-schoolers to a Stop, Look & Listen Road Safety Show from a local children's entertainer. They all really enjoyed this informative and engaging afternoon! 'It was amazing, really fun and I learnt a lot'. Max Yr5

HONEYWELL

Thank you Maureen Boon (local author and storyteller) for donating copies of your books to Ilington and running interesting and fun workshops for us!

'Maureen read us a fun book about 3 bears. It was a story like Goldilocks but with nicer food and it was daddy's birthday'.

Orlaith

'We loved making up our own story about Maureen's key.' Freya

'The key made a wand, then a portal for a magical land.' Seth

'Maureen read some of her great story about Ant's adventure. It was exciting. I can't wait to borrow it to find out the end of the story.'

Thomas.

'I enjoyed making a bookmark. I put lots of tiger things on mine as I was the tiger Augustus who lost his smile.' Tiger

'It was fun finally getting to wear my whole costume for World Book Day. I loved being Hermione Granger.' Anna
